Café 16 in Newcastle Cathedral opened in August 2021 and is a joint enterprise between the Cathedral and The Oswin Project. Baked goods sold in the café are produced in our bakery inside HMP Northumberland. Prisoners who work there are trained and can on release continue to work for the charity in the cathedral. Café 16 seeks to provide prison leavers with an opportunity to develop new skills, attitudes, and ultimately a new way of living. We invite you to enjoy a 'guilt free' slice of cake, as you are contributing to a good cause.
